

Bessheim, seen from highway rv. 51.

Bessheim Fjellstue og Hytter (lodge and cabins) is located in Sjødalen in Vågå, close to the Gjende lake and the famous mountain Besseggen. Bessheim is a perfect base for enjoying all kinds of mountain activities in peaceful and quiet surroundings, in summer and winter.

There are long traditions for welcoming guests at Bessheim, the traditions leads back to the middle of the 19th century's early tourism.

We offer rooms, cabins, flats and camp site facilities. Most units are with shower and toilet. Bessheim can accommodate 150 persons; there is place for 65 inside the lodge. We do have dining- facilities for 150 persons and sauna, drying room and conference room.

The cabins and flats have room for two till ten persons. Each unit has a living room, kitchen, bathroom with shower and toilet and 1-3 bedrooms.

Besseggen is the most famous goal for hikers in the area, though there are lots of fascinating alternatives, like Besshø and Nautgardstind, both 2258 metres above sea level.

Bessheim is open from from the first weekend in February until October. Cabin rental with self-catering is possible during the whole year.

Winter at Bessheim

Bessheim is located in an unspoilt area, close to the National Park Jotunheimen, where you can experience and enjoy real nature. The scenic surroundings with stable snow conditions are perfect for all kinds of wintersport activities. We offer marked tracks; in the woods, in the valley and high up in the mountains. We hire out ski equipment, pulk and snowshoes. It is 30 km to Lemonsjøen Alpingsenter. In spring, Bessheim is the ideal starting position for fabulous skiing trips, to more than ten 2000 m peaks!
